56th Annual
Fall Scientific Symposium

October 16-17, 2025 | Rosen Shingle Creek, Orlando, Florida

We are delighted to invite you to join us in 2025!

ANNUAL MEETING SPONSORSHIP

ASOPRS symposia are powerful concentrations of oculofacial plastic and reconstructive surgeons offering our industry partners excellent opportunities to build relationships, network, collaborate, and educate. Your participation adds value and contributes to a positive and enjoyable attendee experience.

Spring Scientific Symposium Silverado, Napa, California

The Society's members-only meeting, designed to be family-friendly and intimate. The intimacy allows for unique networking opportunities that extend beyond the tradeshow environment, including social events and recreational activities, in which exhibitors and supporters are invited to participate.

Fall Scientific Symposium Rosen Shingle Creek, Orlando, Florida

This two-day symposium is a venerable tradition which precedes the American Academy of Ophthalmology's Annual Meeting and attracts up to 900 members and non-members alike. Sponsorship opportunities include attendee lunch, refreshment breaks, and the YASOPRS luncheon, see page 9 for details. Product Theaters, designed to help you showcase your products/services directly to our audiences, are our most popular opportunity — sign up early to secure your spot!

Support opportunities are designed to suit all budgets. Please contact us if you have ideas not listed in this prospectus.

It would be a great pleasure to welcome you as a supporter of ASOPRS and we look forward to seeing you in Napa and Orlando!
