

American Society of Ophthalmic Plastic and Reconstructive Surgery Attendee List Terms & Conditions

Use of the list is **for 30 days pre and 30 days post the ASOPRS Annual Meeting for which the list is obtained.** The list must only be used to provide attendees with information on the products or services of the organization that receives the list.

ASOPRS prohibits use of its attendee list in the following ways:

- Any representation, whether overt or implied, of ASOPRS endorsement of the mailed information.
- Entering any mailing list information into a database for any purpose.
- Announcements of education programs, equipment or other products and services not related in some way to the field of oculofacial plastic surgery.
- Providing, whether for a fee or not, the list to any other organization.

The use of the ASOPRS meeting attendee lists in any of the prohibited ways above is cause for permanent disqualification from use of future attendee lists and purchasing of lead retrieval. Violation of this policy may also be grounds for legal action.
